Chicago's Wicker Park neighborhood will be alive with environmentally-conscious activity during the Green Music Fest on Saturday, June 23 and Sunday, June 24, 2012. The Music Fest will take place on Damen Ave. between North and Schiller. The MWRD will be staffing a booth from noon to 5 p.m. each day in the Green Village and giving away a rain barrel to encourage water conservation and reuse.

Visit the Green Village to check out the MWRD rain barrel and talk to staff about the MWRD's role in protecting the environment. The Green Village also will showcase many other environmentally-friendly products and services.

The festival will feature live music, local arts, crafts and food and a Green Kids Area with music and entertainment for children. Among the many live bands scheduled to perform on the two main stages are Dinosaur Jr., Hey Rosetta, Passafire and The Raveonettes. Event hours are noon to 10 p.m. both days, and a \$5 admission donation is suggested.
