This letter transmits information and data for the Metropolitan Water Reclamation District of Greater Chicago - Controlled Solids Distribution Program for March 2008, as required by Illinois Environmental Protection Agency Permit No. 2005-SC-3793.

Biosolids were distributed at one site in March. The user information report for the soccer fields at 12804 South Highland Avenue, Blue Island Park District, Blue Island, is presented in Table 1, and the analysis of composited biosolids delivered in March to that site is presented in Table 2.

Very truly yours,
