

**The following is a listing of common services available through your BlueCare Dental HMO providers.  
The member's share of the cost is determined when care is received from a contracting dentist.**

This information only provides highlights of this program. Please refer to the BlueCare Dental Preferred Choice Certificate for additional information.

## Program Basics

### Out-Of-Area Emergency Care

Emergency treatment refers only to those dental services to alleviate pain and suffering. Emergency care received from a dental provider other than the primary care dentist will be reimbursed up to a maximum amount of \$50.

### Accidental Injury

There is no coverage for accidental injury, which is defined as damage to the hard and soft tissues of the oral cavity resulting from forces external to the mouth. Damages resulting from normal chewing function will be covered at the schedule of benefits based on the plan.

### Age Limitations

Unmarried dependent children are covered to age 26. Document supported military veteran dependents are covered to age 30.

### Maximum Annual Benefit

None
