

2019 MWRD INTERNSHIP PROGRAM

INTERNSHIP ANNOUNCEMENT

Position Title:

Interdisciplinary Information Technology Internship

Department:

Information Technology

Location:

**MOB/MOBA Complex
100 E Erie Street, Chicago, IL 60611**

Description:

The *Metropolitan Water Reclamation District of Greater Chicago* is in search of a current student seeking an internship opportunity in the Information Technology (IT) Department. The prospective intern will participate in a cross functional internship within the IT Department, working alongside staff from different areas to gain multidisciplinary knowledge and experience working within an information technology environment. These areas are comprised of the Project Management Office, Application Development, Networking/Infrastructure and Service Desk; project work will require collaboration and/or rotation across areas. The assignments will include conducting requirement interviews, documenting business and technical requirements, assisting with the formulation of project artifacts, and participation in the development, testing and implementation of a business solution. By the conclusion of this experience the intern should be able to articulate and demonstrate the approach to collaborating with District stakeholders to implement technology solutions that support optimized District operations.

Rate of Pay:

This is a paid internship at \$13.00/hr.

Minimum Qualifications:

Applicants must have a current residence in Cook County, IL; be a citizen or national of the U.S., an alien lawfully admitted for permanent residence, or an individual otherwise legally authorized to work in the U.S.; and must obtain a letter of recommendation from the school's Internship Coordinator or Departmental Dean, or professor.

Educational Requirements:

Applicants must be a current undergraduate or graduate student pursuing studies in Information Technology or Information Systems or a related field of study and possess good interpersonal skills.
