

2019 MWRD INTERNSHIP PROGRAM

INTERNSHIP ANNOUNCEMENT

Position Title:

M&O GIS Intern

Department:

Maintenance & Operations

Location:

O'Brien WRP

3500 Howard Street, Skokie, IL 60076

Description:

The *Metropolitan Water Reclamation District of Greater Chicago* is in search of a current college student seeking an internship opportunity in the Maintenance & Operations Department. The prospective intern will assist with creating a new feature layer on IMGIS of underground electric conduit for Tunnel and Reservoir Plan (TARP) and tide gate communications and power supply. This requires the use of as-built drawings, various reference documents, field work utilizing the ZENO surveying tool. The intern will be expected to pay attention to detail, possess the ability to learn GIS software, and the ability to use android operating system based field surveying tool as needed. By the conclusion of this experience, the prospective should be able to articulate the District's internal mapping system and how it relates to TARP.

Rate of Pay:

This paid internship, at \$13.00/hr.

Minimum Qualifications:

Applicants must have a current residence in Cook County, IL; be a citizen or national of the U.S., an alien lawfully admitted for permanent residence, or an individual otherwise legally authorized to work in the U.S.; and must obtain a letter of recommendation from the school's Internship Coordinator or Departmental Dean, or professor.

Educational Requirements:

Applicants must be a current college/university student majoring in Engineering. Attention to detail and the ability to learn how to use GIS software are crucial.

Contact Information:

Interested applicants must forward a resume, a cover letter and the school's referral or letter of recommendation to:

MWRDInternships@mwrld.org

or

Attn: Ebonie Lewis Bradford, HR Dept.-Employee Development
MWRD of Greater Chicago
111 E. Erie Street
Chicago, IL 60611
(Fax) 312-751-6639

Resumes and cover letters will be accepted until the position is filled.
