

Sec. 102-83. Right of entry; safety; identification.

- (a) *Right of entry.* The approving authority or other duly authorized employees of the municipality, bearing proper credentials and identification, shall be permitted to enter all properties for the purpose of inspection, observation, or testing, all in accordance with the provisions of this article.
- (b) *Safety.* While performing the necessary work on private premises referred to in subsection (a) of this section, the duly authorized municipal employees shall observe all safety rules applicable to the premises established by the owner or the occupant.
- (c) *Identification; right to enter easements.* The approving authority or duly authorized employees of the municipality, bearing proper credentials and identification, shall be permitted to enter all private properties through which the municipality holds and easement for the purpose of, but not limited to, inspection, observation, measurement, sampling, repair, and maintenance of any portion of the sewage works lying within the easement, all subject to the terms, if any, of such easement.
