

2019 MWRD INTERNSHIP PROGRAM

INTERNSHIP ANNOUNCEMENT

Position Title:

TARP/GIS Intern

Department:

Maintenance & Operations

Location:

Stickney WRP

6001 West Pershing Road, Cicero, IL 60804

Description:

The *Metropolitan Water Reclamation District of Greater Chicago* is in search of a current college student seeking an internship opportunity in the Maintenance & Operations Department. The prospective intern will assist with creating attributes for tide gate and manhole structures, which are needed to complete the Geographical Information System (GIS) Tide Gate Inspection application and accurately embed the data on the District's IMGIS map. This will require the use of as-built drawing and other reference documents to gather and record the attribute data. Additional duties may include field work such as J.U.L.I.E. At the conclusion of the internship, the prospective intern may be required to present findings of this project to District.

Rate of Pay:

This is a paid internship, at \$13.00/hr.

Minimun Qualifications:

Applicants must have a current residence in Cook County, IL; be a citizen or national of the U.S., an alien lawfully admitted for permanent residence, or an individual otherwise legally authorized to work in the U.S.; and must obtain a letter of recommendation from the school's Internship Coordinator or Departmental Dean, or professor.

Educational Requirements:

Applicants must be a current college/university student majoring in Engineering. Attention to detail and the ability to learn and use GIS software are crucial.

Contact Information:

Interested applicants must forward a resume, a cover letter and the school's referral or letter of recommendation to:

MWRDInternships@mwrdd.org

or

Attn: Ebonie Lewis Bradford, HR Dept.-Employee Development
MWRD of Greater Chicago
111 E. Erie Street
Chicago, IL 60611
(Fax) 312-751-6639

Resumes and cover letters will be accepted until the position is filled.
