**WMO PERMITTING FLOWCHART**

**UTILITY INSTALLATION PROJECT REQUIREMENTS**

- **START**

- **DOES THE PROJECT INVOLVE QUALIFIED SEWER CONSTRUCTION***?**
  - **NO**
    - IS THERE OPEN TRENCH INSTALLATION OR OTHER IMPACTS TO WETLANDS?
      - **NO**
        - IS THERE ANY PERMANENT FILL IN THE REGULATORY FLOODPLAIN?
          - **NO**
            - WILL THE PROJECT SITE BE RESTORED TO EXISTING GRADE AND VEGETATIVE COVER?
              - **NO**
                - IS IT SOLELY NEW ACCESSORY STRUCTURES**??
                  - **YES**
                    - OTHER THAN UTILITY INSTALLATION, DOES THE PROJECT INCLUDE OTHER ASSOCIATED DEVELOPMENT?
                      - **YES**
                        - PROJECT INCLUDES DEVELOPMENT
                      - **NO**
                        - MAINTAIN ADEQUATE SOIL AND EROSION CONTROL
                  - **NO**
                    - PER §602.3 OF THE WMO, NEW ACCESSORY STRUCTURES ARE MUNICIPALITY-REGULATED
                      - **YES**
                        - MAINTAIN ADEQUATE SOIL AND EROSION CONTROL
                      - **NO**
                        - WATERSHED MANAGEMENT PERMIT LIKELY NOT REQUIRED
                  - **NO**
                    - VERIFY REQUIREMENTS FOR DEVELOPMENT; FLOODPLAIN/FLOODWAY; WETLANDS, BUFFERS, AND RIPARIAN; AND DISTRICT IMPACTS
            - **YES**
              - SEE FLOODPLAIN / FLOODWAY FLOW CHART
            - **NO**
              - SEE WETLANDS, BUFFERS, AND RIPARIAN FLOW CHART
      - **YES**
        - SEE QUALIFIED SEWER CONSTRUCTION FLOW CHART

- **YES**
