# WHERE DOES IT GO?

Have you ever wondered what  
happens after you flush the toilet  
or pour something down the drain?

“Where Does It Go?” tells the  
story of three young water  
explorers who travel in a magical  
vehicle through Metropolitan  
Water Reclamation District of  
Greater Chicago pipes, sewers  
and tanks that are used to clean  
dirty water.

Join the explorers as they discover what really happens after they flush their toilets or pour something down a drain inside their homes and schools.

You or your faculty may request a virtual presentation of our book for groups of 25 or more by emailing [communityeducation@mwrld.org](mailto:communityeducation@mwrld.org).

The virtual presentation may be conducted via ZOOM or your preferred meeting platform such as Google Meet.
